

## New Covenant Partner Course Session 3 Questions for Reflection

What makes church do much different from any other gathering of people? What has been your experience in church?

Take a moment to reflect on the different ways you have gathered in church. What are some of the churches you have attended and what made each one different? What made them the same? How do you think we are being called to live with one another?.

How do you understand the idea of covenant? Specially what does it mean to be a covenanted people of God in Christ Jesus?

Jesus is the one through which we become a covenanted people. Think about how you related to that covenant and what does that mean for your relationship with Jesus?.

Finally how do you think that being a covenant people calls us to be in relationship with one another? How do you think you are being called to covenant with others in this body of Christ?
